

Women Development Cell

The Women Cell is functioning in the college with a view to empower the girl students of GPC Palakkad and to help them to tackle various tangled situations that may arise in their life and in the campus. The objective of the cell is to provide a platform to discuss and identify the difficulties that woman has to face in the social and personal life. It helps the girl students to represent their requirements to the college authorities and to create a girl friendly atmosphere in the campus. The cell is constituted by the representatives of lady faculty and girl students from each department. The lady vice chairperson and lady representatives are also members of the committee. A senior lady faculty acts as the coordinator.
