

COMMUNITY DEVELOPMENT THROUGH POLYTECHNIC

Government Polytechnic College, Palakkad.

There are skill training courses for young generation of the community through Government of India MHRD sponsored Community Development through Polytechnic schemes. Our college has been in implementing effectively such schemes since 1993. Now a day, there are one main training centre and 7 sub centres for such programmes. Our faculty and technical staff are the key persons delivering the skill training to the public. Short-term training in welding, electrical wiring, plumbing, fruit and vegetable processing, tailoring, beautician, book binding, electronics data-entry, repairing of domestic appliances etc. Around 700 youth will be skilfully trained by this programme every 6 months. The courses are funded fully by the MHRD ministry.
