Placement Cell

The placement cell plays a crucial role in locating job opportunities for diploma graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The placement cell operates round the year to facilitate contacts between companies and diploma graduates. The number of students placed through the campus interviews is continuously rising. On invitation, many reputed industries visit the institute to conduct interviews.

Placement training plays a major role in shaping up the career goals of students. It is the dream of every diploma engineering student to get placed in a top organization visiting their campus for recruitment. Keeping this key aspect into consideration, it is realized that training is important for diploma engineering students to enhance their employability skills and achieve good placement in various industries.

At present, the competition for employment is increasing every day and placement has become a challenging task. Training of students and equipping them with life skills has become an important responsibility of the institution. Along with technical expertise, development of a holistic personality is also necessary. To meet these requirements, a fully fledged placement & training cell is operating in our college to enhance the capabilities of diploma engineering graduates on par with the industry standards.

We have been successful in maintaining high placement statistics over the years. Our record breaking placements during Covid period itself is a testimony to our quality. Our alumni have set new standards in the corporate world through their invaluable contributions and it is our conviction that we will continue that legacy in the years to come.

Objectives

The prime objective of the Placement Cell is

To look for 100% employment for all students.

To recognize the core competencies of the students.

To train the students to meet the expectations of the industry through our Career Development Programmes.

To build confidence in students and develop right attitude in them

To enhance their communication skills.

Training Activities :

Create awareness about career planning and career mapping among the students.

Equip the student with life skills.

Train the students on "Personality Development".

Organize various training programmes to train the students in the areas of soft skills, communication skills and constructive criticism through the reputed external training organizations.

Recruitments are held in our college in three ways

1. Companies directly approaches our placement officer and conduct the recruitment process and chooses the right candidates.
2. Companies directly approaches and held the recruitment process incorporating students from neighbouring polytechnic colleges too
3. The placement officer mails the whereabouts of our college showing the details in full and in return companies conducts the recruitment process
