

CO - OPERATIVE SOCIETY

GOVT.POLYTECHNIC COLLEGE, PALAKKAD

The society was registered and came into existence according to society act 1969. On 30th November 1981, it started to function under the label “The Palakkad Government Polytechnic co-operative Society limited” number P:841. The initial capital investment was constituted from 6000 ‘A’ Class shares worth 5 rupees each and 20000 ‘B’ Class shares worth one rupee each. The functional objective of this society includes buying necessary Books, Files, Drawing materials, Note books, Textbooks and other Engineering related tools and making these items available for necessary students (both regular and evening batch) at affordable rates.

The administrative power of this society is vested with an administrative council constituted by selecting members from ‘A’ class members. A member from this administrative council is selected as secretary and he is entrusted with the responsibility of smooth functioning of this society without any profit motive.

While considering the improvement in performance of the society for the past few years, it is highlighted in the audit report that terminates on 31.03.2019, the annual turnover raised to 8,94,504 rupees.

In order to know the working hours of society, a website with site address ‘www.gptcpalakkad.ac.in/str’ is exclusively designed. Students could also access the same by scanning the QR code that is displayed on the notice board.
